Public confidence brings these Values-

Public confidence in its goods, its policies, its prices and its service is the prime essential of success in any business. We've been striving to merit public confidence for more than 20 years. We believe we've been more than usually successful in doing so, for all through the period of depression and readjustment our business has continued its growth.

And every new customer we add means that we can continually offer greater and greater values. That is the explanation of the very remarkable values you'll see here now and the fact that each new season finds us outdoing previous value records. Come today for a look at the finest suits and overcoats you ever saw, and the greatest values, too, at
